

MEET MY SPIES

COURTNEY AND WHITNEY BERGSTROM

Twins...
Identical twins...
Identical to the point no one can tell them apart. Blonde hair, green eyes, innocent smiles, and astonishingly intelligent. Both graduated from MIT a full semester early.

COURTNEY

Courtney, the older and calmer of the two, is the brains of team. She sees the world differently than most people – more like the way a computer sees data. Ones and Zeroes... on or off. With a glance, she deciphers things that others will work on for days, and never understand. Bluntly put, she's an analytical genius.

WHITNEY

Whitney on the other hand, tends to be fearless and very much more 'hands on.' With a degree in psychology, she can 'read' damn near anyone she meets, and will usually know what they are thinking, before they do. And yet, given reason, she'll kill you in a heartbeat, and without a second thought.

LYLE AND JORDAN BERGSTROM

The twin's parents. While they do know what their daughters are doing for a living, mom – who traveled the same path – is not at all happy about it.

RHYAN BERGSTROM

The twin's younger brother and a member of the U.S. Navy SEALs – just like his father. Most of his life, more often than not, he found himself in the middle of his older sisters' insanity – which wasn't always a bad thing. He is as close to the two of them, as they are to each other.

MICHAEL OSBORNE

Courtney's 'soul mate' and the only person who can always tell the twins apart – a talent that Courtney and Whitney (and their mother) find more than a bit creepy. Mike is also a member of the U.S. Army Special Forces.

CARL SANTOS

Station Chief, U.S. Embassy, Istanbul, and the first person willing to take a chance and test the twins' abilities.

HOWARD JENSON

Assistant Station Chief, U.S. Embassy, London, and the twins' first training supervisor. He's the first person to put them 'in harm's way'.

CHRISTINE NELSON

Staff Attaché, U.S. Embassy, London. She's a killer gorgeous, flashy, and quite stylish aristocrat who somehow got an appointment to the position. No telling who she really is...

ALEXANDRA JAEGER

German college student, suspected to work for the CIA.

SIDNEY MADDOX

Spoiled, rich, American aristocrat also suspected of being a CIA asset.

CHARLES WHITMAN

Computers Systems Analyst and linguist, U.S. Embassy, London. Speaks Russian, German, and Italian fluently, and a number of other languages respectably.

CRYSTAL IVERSON

Staff Analyst, Istanbul Detachment. Russian... American... CIA... SVR... no one is really sure.

JOSEPHINA MASTERSON

Staff Analyst, Field Agent, Istanbul Detachment. Crystal's 'older sister' – or so they want everyone to believe.

CASSANDRA CARTWRIGHT

Senior Field Agent, Istanbul Detachment.

WILLIAM RAMIREZ

Field Agent, Istanbul Detachment. Retired U.S. Marine.

MELINDA ASTON

Acquisitions Specialist/Field Supervisor, Clandestine Services Division, Central Intelligence Agency.

YEGOR PADORIN

Sluzhba Vneshney Razvedki (Russian Foreign Intelligence Service) Station Chief, Istanbul
